Dear Mr. Galante:

On behalf of the Canada Customs and Revenue Agency (CCRA), I would like to thank New Penn Motor Express, Inc. for participating in the PARTNERS IN PROTECTION (PIP) program.

As you know, the program was developed to foster government and industry cooperation, enhance border security and assist in the fight against the illegal movement of drugs and other contraband into Canada. As partners, we realize the importance of protecting the health, safety, and economic prosperity of Canadians.

Attached you will find your copy of the Memorandum of Understanding (MOU) and a certificate signed by our Commissioner to welcome you to the program. I have asked Chris Montgomery to be your point of contact to help further advance the aims of the program. Your company's designated official listed in the MOU can expect to hear from Chris in the near future, or you may contact him at (613) 954-2271.

I would also like to mention that the CCRA maintains a list of all our current partners on the PIP web site. The purpose of this is to increase awareness and understanding of the program to the public while promoting the partnership within private industry and the CCRA. Should you wish to add your company's name to the list, please contact us by e-mail at [pip@ccra-adrc.gc.ca](mailto:pip@ccra-adrc.gc.ca) or by fax at 613-946-9183.

In closing, I would like to take this opportunity to commend your organization for the responsible role it has undertaken in this initiative and I look forward to a successful partnership. I know that by working together, we can make a difference and can make Canada a safer place for everyone.

Yours truly,

W. J. Beamish
